Friendly Acres Protests Fail To Block Vote

Annexation Election
Is Definitely Set
For Sept. 5

Over protests of three large property owners, two of them real estate developers and the other a contractor, the city council voted Monday night again to conduct an election Sept. 5 in which residents of Friendly Acres will vote on the proposal to annex the area to the city. The first vote on setting the election was taken two weeks ago.

Protesting were David D. Bohannon and Harry Friend, property owners, and R. A. Oles, builder of 15 homes in the Friendly Acres tract. Oles and his partner, William E. Grossman, hold options on 162 lots in the tract, he said, but they may drop plans to develop a low-cost housing section there if the annexation is affected.

Reason for the protest was the contention by Oles that as far as he could determine, the annexation would result in a considerable boost in the tax rate for the area, and if this came about, he would not be able to continue the construction of the type of home he now is building to sell at his present price.

SEES NO GREAT BOOST
Councilman Paul A. McCarthy said he thought that the annexation would not result in any substantial increase in the tax rate, should it be voted.

Accepted by the council were subdivision maps presented by Charles Holt in connection with another real estate development, the Broadway Extension tract. The maps approved included provision for a 60-foot wide extension of Beech St. through the property being developed by Holt, but decision on the width of paving and of the sidewalks was not made.

Considerable discussion arose as to whether the paving should be 30 feet, with the space for sidewalks and curbing 15 feet on each side, or whether the street should be 43 feet wide with the sidewalk space 10 feet on each side.

Holt requested permission to erect a sign at Chestnut St. and Broadway 10 by 35 feet in size, but was refused. The council voted to permit him to erect a sign 10 by 16, over Holt's protests that he wanted to have a sign that could be seen adequately from Bayshore Hwy. The Chestnut St.-Broadway location for the sign is the extreme tip of the property being developed by Holt.

RECREATION SITE URGED
Granted Holt was permission to erect a temporary construction office on the property, preparatory to opening sale of the property. Following presentation of the recreation commission's recommendation that the Martin O'Dea Tract, formerly the Redwood City Airport, be acquired as the start of the development of a recreation center in the city, the council voted that the matter be investigated by a committee of

To Make Motoring Safer

Are you a good motorist? Optometrists in annual conventions at Los Angeles will study use of perimeter, machine pictured above. Judith Lee is the subject. California State Association meets June 23 and 24, and American Optometric Association June 25 to 29. Perimeter determines ability of eyes to see vehicles approaching from either side. Nearly every optometrist's office has one.

George H. Schmoll Is Taken by Death

George H. Schmoll, a Peninsula resident all his life, passed away Monday at the home of his sister, Mrs. Hannah Schaberg, 525 Marshall St., where he made his home.

Mr. Schmoll had been in poor health for some time and had been ill for the past eight months.

He was born in Belmont in 1875, the son of the late John and Caroline Schmoll. His father was a well-to-do rancher.

It was Mr. Schmoll and Mrs. Schaberg who gave the site on which the present church is located in Redwood City. Mrs. Schaberg is the widow of Herman W. Schaberg, one-time county clerk and a building loan firm executive at the time of his death in 1934.

Mayor Louis C. Christensen, City Manager Charles L. Dimmitt, City Atty. Albert Mansfield and Daniel P. Stafford, realtor and former mayor.

The recommendation was presented by James Hagan, member of the recreation commission and head of its site investigation committee. He revealed that it has been indicated the parcel of land involved, encompassing 20 acres, can be acquired at a price of \$500 an acre, a total of \$10,000, said to be considered a reasonable price by most real estate dealers of the community. Stafford is acquainted with the particulars of the ownership and possible terms of sale of the property, and revealed the price of \$10,000 to the city manager and to the recreation commission.

Emergency Radio Setup Demonstrated

Demonstrating what they could do in event of an emergency, 14 Bay region short-wave radio operators, members of the Society of Amateur Operators, spent 26 straight hours this weekend in San Carlos contacting other operators throughout the nation.

Setting up their expensive equipment at the Devonshire Country Club so as to use the water tower near it for their aerial equipment, the men began their novel task Saturday morning, most of them staying on the job continuously until Sunday afternoon. Operators in nearly every state in the union were contacted, according to N. D. DeWolfe of San Carlos, a leader in the venture.

He described the group as an emergency unit providing for communication in time of an emergency. A half dozen complete stations were set up and wave lengths from 5 to 160 meters were employed.

Italian Children Present Program

Redwood City and Menlo Park Italian children, who attend Mrs. August Manza's Italian School, will present a program at 8 p. m. Friday in McKinley School Auditorium. The performance to be given in two parts will be all in Italian. It will open with singing, poems, skits and various acts, a play, "Cinderella" to follow.

The public is invited. No admission will be charged. The Italian School is held afternoons after regular school.

Delphin Lagarde, 71, Of Woodside, Passes

Delphin Lagarde, 71, of Route 1, Box 233, Woodside, a retired rodent exterminator for the board of health in San Francisco, passed away at a San Mateo Hospital Saturday afternoon. Mr. Lagarde, who was unmarried, is survived by a brother and several sisters.

Redwood City's Music Development Told in Pictures

"Redwood City—Music Center of the Peninsula." That slogan has become more truth than poetry in the past year. And, recognizing that fact, the Tribune is devoting a section in its Festival of Progress edition to be off the press Saturday to the principal musical organizations of the Redwood City district.

Included will be photographs of the Westbay Symphony Orchestra, the Bel Canto Chorus, the Redwood City Municipal Band, the Sequoia High School Band, the Sequoia High School Choral Groups, Sequoia High School Orchestra, and McKinley School Orchestra.

This is only one of the dozens of features to be found in the 48 pages to be issued with the regular edition Saturday. Occasion is the dedication on Sunday of the new courthouse annex, the new city hall, and the new library—part of the \$750,000 in public buildings now either complete or nearing completion in Redwood City.

Police Department To Move Offices Later This Month

Redwood City's official family opened business in a new stand Monday after having been moved Sunday from temporary quarters above the firehouse across the street to the newly-completed \$95,000 city hall.

Moving all departments of government was completed at 3 p. m. by members of the fire department, and all offices except the chamber of commerce and the police department were operating today in the structure.

The chamber of commerce was partially moved into its new office upstairs, and Secretary-Manager Roscoe D. Wyatt said that the job would be completed tomorrow morning.

POLICE MOVE LATER
The police department's rent on the building it now occupies, on Jefferson Ave. behind Central School, runs until July 1, Chief C. L. Collins said, and so that department is not hurrying its plans for moving. Transfer of the radio patrol call system will be one of the major items, he said.

The city manager, assessor and tax collector, water department, city clerk and treasurer, engineering department, building inspector's department all were still straightening up their quarters but were fully ready for business.

Completion of a gold-leafing job on the under side of the marquee over the main door still was going on, but that was expected to be completed this afternoon or tomorrow morning. Landscaping of the front area will continue for some time, City Manager C. L. Dimmitt said.

DEDICATION SUNDAY
He revealed that the G. W. Williams Co. of Burlingame, holders of the contract on the library, had notified him they will be ready for final inspection of the building Thursday, June 22. That is the last day of the contract. Much of the furniture is now in place, but the bulk of the books contained in the old library will not be moved into the new quarters until after the final inspection.

Formal dedication of the new buildings and the courthouse annex will be held next Sunday; the courthouse at 2:30 p. m.; the city hall at 3:30, and the library at 4:15. A parade at 1 will precede the events.

Former Heads Of Native Sons Aid Dedication

Parade at 1 Precedes
Gala Sunday For
Redwood City

Two past grand presidents of the Native Sons of the Golden West and a state assemblyman will be the principal speakers when the new courthouse annex and other public buildings are dedicated in Redwood City next Sunday.

Seth Millington, Gridley assemblyman and brother of Atty. Wayne R. Millington of Redwood City, will give the dedicatory address at the courthouse. Fletcher Cutler will give the dedicatory address at the Redwood City City Hall. Both Millington and Cutler are past grand presidents of the NSGW, which is dedicating the two buildings.

Assemblyman Harrison W. Call, acting for Redwood City Post 105, American Legion, will deliver the dedicatory address at the library.

The courthouse rites will be held at 2:30 p. m.; the city hall exercises at 3:30; the library rites at 4:15.

Preceding the dedication, a parade will form at 1 p. m. at Forsters Hall on Middlefield Rd. and march up Main St. and Broadway to the site of the new \$235,000 annex. In the parade, which is being arranged by a 26th district American Legion committee, will be drill teams, color guards, degree staffs and other entries from veteran and civic organizations from all parts of the county, according to a tentative sign-up given Floyd D. Granger, Redwood City Legionnaire.

People from all parts of the county are expected to attend the courthouse dedication, first such event here since 1910.

Call Pledges Fight For Highway Funds

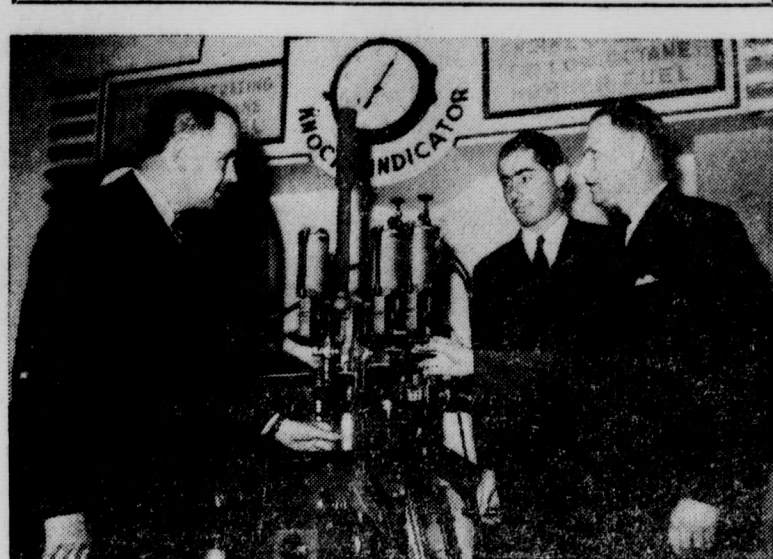

A pledge to "do everything possible for the preservation of the El Camino Real appropriation" which County Manager Frederick Peterson learned last week was in jeopardy was made to the Redwood City Chamber of Commerce by letter here by Assemblyman Harrison W. Call.

"Your letter was the first intimation that I have had that there was any doubt about us getting it," Call wrote Secty. Roscoe D. Wyatt.

The appropriation in question is one for \$660,000 for purchase of rights-of-way for widening the highway between Redwood City and Palo Alto.

4:15. A parade at 1 will precede the events.

EXPERTS AT PETROLEUM EXHIBIT

Equipment in the completely remodeled Motor Laboratory holds appeal to technical men and motorists visiting the Petroleum Exhibit at the Golden Gate International Exposition. Charles Becker, Society of Automotive Engineers representative (left) discusses the demonstration of the knock testing equipment with Jacques Bla, delegate of the Belgian government (center) and T. A. Boyd of General Motors Research Laboratory, Detroit. Boyd, co-discoverer of the effect of lead tetraethyl for suppression of knock, explains why motors knock when using certain types of fuel.

Quartet in Boat Refuse Rescue

Four Good Samaritans whose work, as it turned out later, wasn't even appreciated, risked their necks Saturday afternoon in heavy swells of a rough San Francisco Bay in what they thought was to be an attempt to rescue four men adrift in an outboard motorboat near Dumbarton Bridge.

Henry Werder, George Melton and Lloyd Anderson, employees of the Pacific Gas and Electric Co., were the first to go out when a bridgetender reported to Sheriff James J. McGrath that the men in the drifting craft had signalled for help.

Cutting through the heavy swells in the P.G.&E's tugboat, they were unable to reach the quartet who were in shallow water.

Meanwhile, Donald Huff took out the Penguin. He reached the quartet, but, according to the story he later told Werder, the men said they weren't wanting help; that they were fishing.

"What do you think we are, a bunch of farmers?" Werder later said Huff told him they replied to his offer for help.

At that he left them to their fate, and about 7:30 p. m. after Werder and Huff both had berthed their boats at Redwood City Yacht Harbor, the group came in.

Giving their names to yacht harbor attendants as Stuart Woerber, 14, Ralph Roleson, 15, Frank Englehart, 32, all of San Francisco, and Lyle Brown, 32, San Mateo, the men said they had run out of gasoline at one time but had replenished their supply from a can they carried, and had had some

Dog Gambling Bill Defeated

Despite efforts of Assemblyman Harrison W. Call of Redwood City, the state assembly Monday smothered the Pierovich senate bill legalizing dog track gambling, which had been done for years at San Mateo County's two dog tracks.

Assemblyman Call moved to remove the bill from the assembly's committee on public morals, which had refused to let it out. Call maintained that the bill never had a chance for a fair hearing in the committee since several members are opposed on principle to gambling in any form.

But the bill went down to defeat by a vote of 46 yeas to 18 nays on roll call—thus apparently settling the measure for at least another two years.

Dog tracks were warned by State Atty. Gen. Earl Warren not to open this year unless gambling were legalized.

INJURED WHILE SKATING

Floyd Hagan, 20, Seventh Ave., North Fair Oaks, suffered a possible fractured right ankle Saturday night when he fell while skating at Peninsula Beach. He was treated at Community Hospital.

Mrs. Dittmar Is Acquitted

SAN FRANCISCO, June 20.—Mrs. Josephine Dittmar, former San Mateo County resident, was acquitted of assault charges yesterday and through her attorney threatened to retaliate with a request for a grand jury indictment of three San Francisco policemen. Mrs. Dittmar was on trial for assault with a deadly weapon as the result of a visit by the three policemen to her home in February. Mrs. Dittmar's attorney, Marvin Lewis, announced that the woman would go before the grand jury to seek indictment of the three officers for illegal entry of her home. Also pending is a \$65,000 damage suit. Mrs. Dittmar claimed that the brutality of the officers caused her to suffer a miscarriage.

Cecil A. Wingo, 56, Los Angeles fireman, was cited for speeding 75 miles an hour on Bayshore Hwy. at 12:30 p.m. Monday. He told State Highway Patrol officers he had made the trip from Los Angeles in 7½ hours.

No Money Down
Dr. Campbell prefers that you see and wear your plates before you pay for them by using his no money down easy payment plan. Dr. Campbell has made hundreds of plates without one penny down, and finds that patients are delighted with this policy as most people like to see and wear their plates before paying. There is no extra charge for credit, same price as cash.
(This offer applies to plate work)
These are our finest plates. We have none better, no matter how much you pay us. NOW! Same low prices as our inexpensive rubber plates.

Pastor, Wife in Morals Trial

Rev. Joe Jeffers and his wife, Zella Joy, enter a Los Angeles courtroom where they face trial on morals charges. Outside, members of his "flock" crowded corridors.

Robert H. Lee Given Jail Term For Crash Deaths

Robert H. Lee of Palo Alto, convicted of two counts of negligent homicide, was sentenced to the county jail by Judge A. R. Cotton Monday for one year on each count, the terms to run concurrently. The jail term was a condition to admitting Lee to three years' probation.

Immediately after sentence was pronounced, E. D. Lakin, Lee's attorney, served notice of appeal and asked for a stay of execution. The stay was granted for one week. Lee was accused of causing the deaths of Herman G. Fishman, Redwood City police officer, and George Devin, San Carlos merchant, Jan. 22 in an El Camino Real automobile accident.

Lee L. Hansen, San Francisco, charged with hit-and-run and felony drunk driving, was sentenced to 30 days in the county jail by Judge Maxwell McNutt as condition to admitting him to two years' probation. Hansen was involved in an automobile accident on Bayshore Hwy. near Belmont.

Fred Witsch-Miller, charged with forgery, pleaded guilty and asked for probation. The case was continued two weeks. Miller, wanted in Los Angeles and in Utah on similar charges, also faces a theft complaint in Burlingame, according to Dep. Dist. Atty. Burgess Karmel. Miller is accused of taking a turkey, typewriter and cooking utensils from a doughnut shop, Joseph Lodato, San Mateo, facing charges of assault to commit murder, waived jury trial. The case will be tried by Judge McNutt Wednesday.

Coastside Asks Signs Be Placed in County

Filed with the board of supervisors today was a request from the West San Mateo County Progressive Association of Half Moon Bay that road signs pointing the way to the Coastside beaches be installed in 15 vantage points on the Peninsula.

The letter, signed by Secty. C. T. Munson, suggested the guide signs be placed at various major intersections in the county from which the Coastside play areas can be reached, and also suggested that the signs be in the form of arrows bearing the words "To Coastside Beaches, — Miles."

31 Boys Barely Escape Injuries As Bus Ditched

Thirty-one San Francisco boys bound for a 2-week outing at Camp Yu-Mi-Chi-A in San Mateo County Memorial Park narrowly escaped injury Sunday morning when the chartered bus in which they were riding blew out a tire, careened across the highway and landed in a 3-foot deep ditch on Woodside Rd. at Valbia Rd., Redwood City. Aside from being shaken up, the youngsters appeared to have suffered no injuries; in fact, seemed to enjoy the "lark." Transferred to another bus supplied by the Rhodes Stages Inc., owner of the vehicle which was damaged, the youths continued on to the YMCA camp and today were enjoying camp life.

Driver of the stage, Bryan G. O'Neil, 25, 421 Ellis St., San Francisco, said that when the left front tire blew out of his control. He narrowly missed hitting a pole carrying high tension wires. Had the pole been hit and wire have fallen on the bus, consequences might have been serious.

The boys were part of a group of a hundred youngsters, mostly from San Francisco, going to the camp, which is maintained jointly by the Peninsula and San Francisco YMCAs. The San Mateo County camp begins July 2, but boys are taken to it by parents themselves, no buses being used, according to Thomas W. Badley, local "Y" secretary.

The damaged bus, lodged fairly securely in the ditch, was finally pulled out in the afternoon by special heavy equipment brought here by the stage firm.

"Helen and Bob want us to go with them to the Fair!"

A special feature of the exhibit is "Pedro, the Voder," a machine that talks. This new electrical invention creates speech when an operator plays its keys...Visitors may also test their hearing and hear how their own telephone voices sound...You are cordially invited to the Bell System exhibit at the Golden Gate Exposition.

MENLO PARK

FASHION SHOW SLATED
MENLO PARK, June 23—Menlo

Parlor Native Daughters of the Golden West will give a fashion show and entertainment at the Central School Thursday, June 29, at 8:30 p.m. By the courtesy of the "Clothes Line," local store, the fashion show will take place. Vendome Parlor, NDGW, San Jose, will be in charge of the program consisting of many interesting numbers. Among them will be a piano solo by Miss Wilma Enos, the blind musician. Though handicapped, the young girl is an "A" student at San Jose State College. Miss Enos has great talent as a musician. Her appearance on this program should draw a big attendance.

Last week George Walsh graduated with honors from the Santa Clara University High School and will enter the university next semester to prepare himself for the legal profession. He is a bright young man and a student who is certain of success in his chosen field.

Victorine Boetto is attending the Grand Parlor of NDGW in San Francisco this week. Mrs. Catherine Derry, Mrs. A. Morris and Mrs. C. Maloney are also attending. Mrs. Boetto is the delegate from Menlo Parlor and Mrs. Derry the alternate.

Sally Rand, the noted dancer, visited friends at Atherton yesterday. The young woman is in love with the Peninsula and may spend much of her time here before returning to New York when her "Nude Ranch" at the fair closes.

Assault Charge Faces Beauty Shop Operator

Peter J. McIntosh, 52, San Francisco beauty shop owner, was arrested in San Francisco Tuesday "en route to Redwood City" on complaint of his employee, Miss Marie Violet Waschau, 20, that he assaulted her three times in a cabin at Sharp Park yesterday.

The district attorney's office said no complaint had been filed here, but they expected to question Miss Waschau this afternoon.

The girl admitted visiting San Francisco bars with McIntosh and drinking lemonade, and said she believed she was drugged, but hospital examination showed she had been drinking alcoholic beverages. Officer A. Lennon reported.

FATHER'S DAY AIR SALUTE

BURLINGAME, June 19—As a Father's Day tribute, Norman Rushton, 180 Warren Rd., Burlingame, was given an air salute by six Navy bombers yesterday. Piloting one of them was Rushton's son, Hal Rushton, who arranged for the planes to dip as they passed over the house at 1:30 p.m.

Hand rarely ap-
Show as her name

At the Panama Exposition in 1915 Stella was the sensation of the fair. If you had not seen Stella, you missed something. She is at the Golden Gate Exposition but no one goes to see her. Other Stellas, in the flesh, are drawing the crowds.

Gordon Webb, the hardware man, was married this week to a pretty Palo Alto girl. The couple will reside in Menlo Park.

A daughter was born to Mr. and Mrs. Blackwood, formerly Rose Valla, this week.

James W. Ryan and wife have gone to Long Beach to attend the Lions' convention. They are accompanied by Miss Isabel Garcia, who will compete there in a speaking contest. Miss Garcia won a contest at the high school recently.

Mrs. F. Mansueto has closed her home here and with her daughter has moved to San Jose to reside with her son, James, who is the cartoonist on the Mercury Herald. The residence will be placed on the market at once. Mrs. Mansueto had been the organist at the Church of the Nativity for many years. She will be succeeded by Mrs. Edna Burtfield, the well-known writer and musician.

Ray Ward and his sister are here from Portland, Ore., on a visit to their brother, Adrian Ward.

Sister Mary Catherine Patricia left Tuesday for Home Convent in Dubuke, Iowa, after a visit here with her father and mother, Mr. and Mrs. P. Kearney.

Health Certificates Needed for Campers

Girl Scouts and Brownies of Sequoia District are required to have health certificates in order to attend Day Camp this Summer. Examinations for these credentials will be given by Dr. Ruth Smith from 8:30 to 12 o'clock tomorrow morning at the Girl Scout office.

Twenty-five cents will be charged for each examination. Health certificates are to be signed by parents before the examination tomorrow, and then submitted at the office.

Gaming Law Violation Charged 2 Men Here

In a sudden roundup of alleged gambling law violators, Redwood City police Monday afternoon arrested two men who later were released on \$100 bail each. They were Steve Almo, proprietor of Steve's Tap Room on El Camino Real near Brewster Ave., and Charles M. Foley, bartender at the Redwood Inn, 755 El Camino Real. Officers said that one pay-off machine was found in the former establishment and a roulette and horse-racing machine, both with pay-offs, in the latter place.

Mileage Bills Win Approval

At its adjourned session Tuesday afternoon, the board of supervisors passed mileage claims of six constables totaling \$105 held up last week for investigation. Supervisor Alvin S. Hatch informed the board that he believed the claims were in accord with an agreement reached with the constables a year ago.

Proposal to abandon a portion of a highway easement on Alameda de las Pulgas was delayed until July 11 at request of Supervisor John A. Lynch, the county's representative of Joint Highway District 10. Lynch said he desired to ascertain whether or not the easement would be required for extension of Junipero Serra Blvd.

Petition to abandon the easement, extending about 300 feet along the road and into the Acacia Lane Subdivision 22 ft., was presented by Atty. Lew T. Ross, Mr. and Mrs. Arthur Jensen, property owners who opposed relinquishing the easement, advised the board they had reached an agreement with the title company which had omitted the easement from their title search. The Jensens filed suit against the company, and asked to be reimbursed for costs of suit and to be assured the title would be quieted.

The planning commission informed the board that the proposed Junipero Serra Blvd. route was some 4000 ft. west of Alameda de las Pulgas.

Request of the San Mateo Branch of the Musicians Union for an appropriation of \$150 for professional musicians to participate in the courthouse annex dedication ceremonies was referred to the Native Sons of the Golden West and to the Recreation Commission of Redwood City, in charge of the program. July 18 was set as the date to receive bids on a \$10,000 Belmont School District bond issue.

A proposal to change the name of the proposed Colma Soil Conservation District to the San Mateo County Soil Conservation District was made by Engineer M. A. Grant, who said that new plans called for inclusion of much more territory than originally contemplated. Grant was requested to attend the meeting of the State Soil Conservation Committee tomorrow to ascertain the extent to which the county would be expected to participate in preliminary costs of organizing the district. A new law, Grant pointed out, requires that only 25 per cent of the owners and acreage be signed up within the district boundaries. The board adjourned to June 27.

horse-racing machine, both with pay-offs, in the latter place.

Flowers for S. F. To Boost Fiesta

Directors of the San Mateo County Fair Association have complimented the Burlingame Chamber of Commerce on its plans for "Wear a Flower Week," which the chamber is sponsoring for the week before the fiesta as an advertisement of the annual fete and of the county's floral industry. At the same time the directors disclosed that at a recent meeting they adopted a plan which will tie in with the chamber's proposal. The directors decided to distribute 30,000 flowers in downtown San Francisco during the days immediately prior to the Sept. 21-24 floral celebration. This would call San Franciscans' attention to the fiesta and to the important county floral industry. Chester Lipman, manager, pointed out.

The Hoover Library on War, Revolution and Peace, at Stanford university, contains 5,000,000 items bearing on the World War and its aftermath.

Relief Funds Used To Keep Men Working

The San Mateo County Unemployment Relief Committee Tuesday came to rescue of the county road department with \$3000 with which to keep 200 men employed on four WPA projects throughout the county.

According to Mrs. H. S. Dana, chairman of the relief committee, the WPA projects faced shutdowns because of lack of funds in the road department to provide necessary equipment and supplies until new budget funds are available after July 1. Rather than see the project closed and the 200 men thrown on direct relief, she said, the relief committee decided to advance a \$3000 surplus in its funds to aid the road department. Mrs. Dana said the money was advanced with the understanding that the committee would be reimbursed if it needed the money.

**Bohannon Buys Tract
On Sweeney Ranch**

David D. Bohannon of San Mateo, subdivider of extensive areas in the south county area, Wednesday took over the 147-acre tract on the Sweeney Ranch east of Bayshore Hwy. recently acquired by Mr. and Mrs. Harry Friend. The property is across the highway from the Friendly Acres subdivision.

According to Mrs. Friend, Bohannon purchased the property for \$50,000 and will take over the subdivision project.

**Defendant Lodge Fails
To Win Venue Change**

Efforts of Sequoia Circle, Companions of the Forest of America, the Grand Circle of California, their officers and other defendants in an injunction suit filed by Mrs. Ethel Nuckolls to secure a change of venue failed Monday when Judge Maxwell McNutt ruled the case will be tried in San Mateo County superior court. He took a demurrer under advisement. Mrs. Nuckolls claims she was ousted illegally from the lodge, asks reinstatement and \$15,000 damages.

**Bill Referred
To Committee**

The plumbing and gas appliance ordinance proposed for San Mateo County was referred back to committee after a spirited hearing Monday before the board of supervisors.

Of about 50 persons present, only eight favored immediate adoption of the ordinance as it was presented by merchant plumbers, the plumber's union and County Bldg. Insptr. William Watson Jr.

Members of the San Mateo County General Contractors Association ridiculed the proposed ordinance as a "waste of time," and sought to have it rejected in its entirety.

MIGHT SAVE LIVES
Arguing for the ordinance, Watson pointed out that the county has no ordinance requiring inspection of gas appliance connections. It was pointed out that a number of persons have died of suffocation elsewhere from improperly vented appliances.

William Logue, business manager for the plumbers' union, maintained that the ordinance had been drafted after two years of research and was designed to eliminate insubstantial and obnoxious installations permitted by the present law.

J. F. Lindstrom, executive secretary of the Peninsula Master Plumbers Association, reminded the board of supervisors of the Texas and Ohio school disasters, which, he contended, resulted from connection of gas lines by "Handy Andies" rather than master plumbers. "Handy Andy" plumbing was likewise responsible for the Chicago epidemic of amoebic

COMMITTEE NAMED
Supervisor H. H. Smith, chairman of the meeting, pointed out that the board saved \$300 by not following a suggestion at the June 6 meeting to have the proposed ordinance printed immediately and adopted by reference.

At Smith's suggestion, the ordinance was referred to a committee of three from the plumbers' group, three from the contractors' association, the city building inspectors, and a representative of the county public health department. Dr. C. C. Gans, director, and two of his sanitary inspectors attended last night's session.

**Gymkhana Club Show
Marred by Mishap**
SAN MATEO, June 19—An accident which Instructor E. M. Schweninger said was the first such mishap to be suffered in the 15 years the San Mateo Gymkhana Club has been presenting horse shows marked the end of the annual society event last night.

The brown hunter, "London," owned by Miss Cornelia V. N. Cress of Oakland fell during a jumping course, last event on the program Sunday afternoon, throwing Miss Nancy Witter, 16, of Oakland. The girl was unhurt, but the valuable horse was so badly injured it was destroyed after the crowd of about a thousand spectators had left.

**Recruits Czech
Legion in Poland**

18,000 men are said to have joined Czech legion in Poland, recruited by Gen. Vladislav Prehala, above, commander of Czech troops which resisted Hungarian occupation of Ruthenia last March.

**Fascist Propaganda
Warning Is Sounded**

Warning to be skeptical of the "biased, unreliable" propaganda put out by "dozens and dozens" of Fascist organizations in the United States was given Monday by Dr. Harold Taggart of San Mateo Junior College in a talk before the joint "All Kiwanis Night" meeting of the Redwood City and Burlingame-San Mateo Kiwanis Clubs.

"These Fascist organizations have little influence in Northern California, but they can't be laughed off; the world once laughed at Hitler and such Fascist organizations are dangerous potentialities," Dr. Taggart told the 20 Redwood City and 40 other members of the service club at the Benjamin Franklin Hotel meeting.

If you want to keep it a secret, don't put it in the Want Ads.

game-San Mateo Kiwanis Clubs. "These Fascist organizations have little influence in Northern California, but they can't be laughed off; the world once laughed at Hitler and such Fascist organizations are dangerous potentialities," Dr. Taggart told the 20 Redwood City and 40 other members of the service club at the Benjamin Franklin Hotel meeting.

If you want to keep it a secret, don't put it in the Want Ads.

**Hillsborough Youth
Is Suspected Firebug**

BURLINGAME, June 20—Seen as a possible solution to the numerous grass fires in San Mateo County this Summer was the report of Chief of Police Claude M. Hirschey today that a Hillsborough youth had been released to his parents after being reprimanded for shooting a lighted match into

dry grass on Eucalyptus Ave. last Saturday.

Hirschey said the youth was in possession of a special sling shot, made of clothespins, which ejects and lights a match simultaneously. The gadget shoots matches with terrific force, the chief said, and "undoubtedly is the cause of several fires reported in the county."

The youth, taken to the police station, was seen by a laundry truck driver as he flipped a match

into the dry grass at Eucalyptus Ave. The driver stamped out the flames that started and then took the boy to the chief.

Robert Ott of Redwood City is the new sergeant-at-arms of Edmund Parrott Chapter 16, Disabled American Veterans, as the result of the recent election and installation.

into the dry grass at Eucalyptus Ave. The driver stamped out the flames that started and then took the boy to the chief.

Fair To Honor Newspapers

In recognition of the wholehearted co-operation of the California newspapers in promoting the Golden Gate International Exposition, the exposition management has set aside June 25th to July 1st as Newspaper Week, and have invited the publishers of California papers to attend the exposition at that time. A number of affairs have been arranged during the week to honor the publishers according to a letter received today by Sam H. Wincklebleck, publisher of the Redwood City Tribune, from Leland Cutler, president of the exposition, who said:

"We appreciate the support the Tribune and other papers have given the exposition, which again exemplifies the public spirited attitude and constructive viewpoint of the California publishers. The exposition is a California project, not merely a San Francisco effort, and the newspapers of the state have not only recognized that fact

but have joined wholeheartedly with other citizens to 'put it over.' Newspaper Week is intended to be some small recognition of what the press has done."

The week will open with a reception and buffet supper for the publishers at the Administration Building, Sunday evening, June 25th, and will conclude with the visit of the National Editorial Association publishers, Saturday, July 1st, the latter stopping at the exposition on their return from a trip to Alaska.

JAILED IN DISURBANCE

Joe Ramirez, Menlo Park Mexican was jailed at Palo Alto Monday afternoon after he assertedly inflicted a nose injury and blacked eye on Tom Pappas, about 52, operator of the Orpheum Cafe on the Circle at Palo Alto when Pappas refused to sell him liquor on the grounds that he already was intoxicated. Ramirez was accused of intoxication, disturbing the peace and battery, police reported.

Church Exchange Takes Rev. Owen To Alameda Post

Rev. William J. Owen, pastor of the First Methodist Church in Redwood City for the past five years, is to become pastor of the Methodist church in Alameda as the result of appointments announced at the closing session of the Methodist conference in San Francisco Monday night.

Rev. Samuel J. Chaney, pastor at Alameda for four years, will take the Redwood City post.

The change will be made in about a week, the pastors filling their old pulpits next Sunday. When the move is made Mr. Chaney will take the house at 173 Elwood St. now occupied by the Owens and they will move into the Chaney's place at 2525 Santa Clara, Alameda.

Rev. Chaney formerly was minister at Olympia, Wash., and prior to that at Spokane. He has been in the ministry 25 years. He and Mrs. Chaney have three grown children.

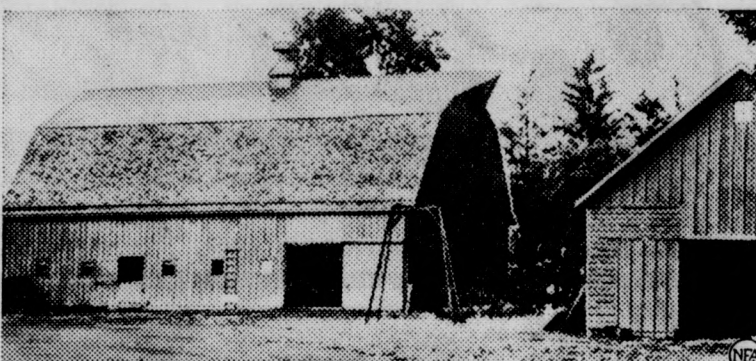

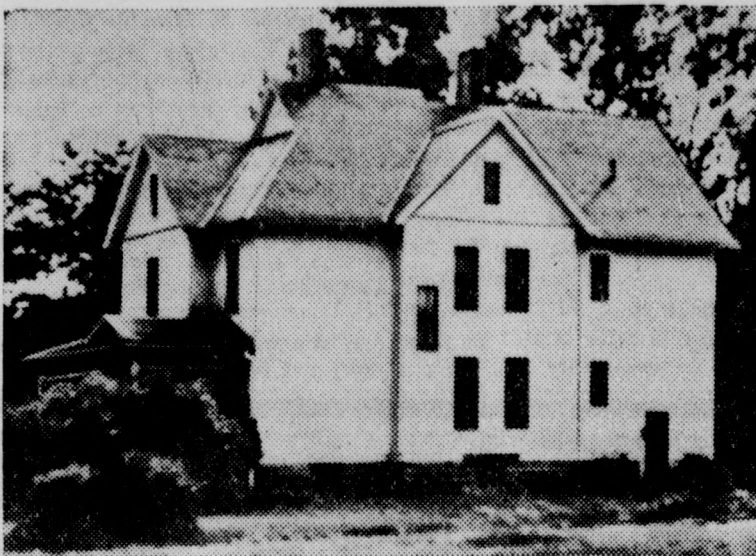

Mr. Owen, secretary of the Redwood City Ministerial Association and president of the San Mateo County Ministerial Association formerly preached at Daly City, San Francisco, Saratoga and Watsonville, having been in the ministry for almost 19 years. He is a graduate of the College of the Pacific.

The local change was the only one made on the Peninsula. Resignations by Bishop J. C. Baker include J. Douglas Ewan, Burlingame; J. C. Kelsey, Half Moon Bay; Miles Post, Millbrae; Jesse Lacklen, Palo Alto First Methodist and Wesley Foundation; Donald H. Baldwin, assistant at Palo Alto; Harry Pressfield, Mayfield; H. D. Harkins, San Bruno; W. B. Johnson, San Mateo, and C. Merle Clark, South San Francisco.

LAPHAM TO MAKE FLIGHT

Roger Lapham of Atherton, president of the American-Hawaiian Steamship Co., will be one of 20 passengers making the first regular Pan-American Airways flight to Europe June 28, it was announced today. The passenger list includes four women.

Down on Secretary Hopkins' Farm

Leased for two years by Secretary of Commerce Harry Hopkins, this 388-acre farm near Grinnell, Ia., is location where Hopkins returns to agriculture, establishes legal residence in tall corn state. It adjoins farm where Hopkins worked as farmhand during boyhood. Top, the residence. Lower, two of the barns.

Peninsulas Promoted By Southern Pacific

BURLINGAME, June 19 — Announcement of the promotion of two local residents who are Southern Pacific officials was made here today.

T. Louis Chess of San Mateo, prominent legionnaire, has been promoted from traveling passenger agent to passenger agent for the San Francisco district, Southern Pacific officials announced.

George B. Hanson, Burlingame, has been promoted from San Francisco district passenger agent to general passenger agent for the southern division, with headquarters in Los Angeles. He will replace H. P. Monahan, who passed away recently.

The phenomenal gold mining development of the Philippines got its start from American soldiers who remained in the islands after the Spanish-American war.

Laundry Union Action Transferred to S. F.

The injunction suit of 89 San Mateo County laundry workers against the Laundry Workers' International Union, its two alleged sets of officers and nine San Francisco banks holding its \$70,000 in assets, was transferred to San Francisco superior courts Monday by Judge A. R. Cotton on motion of defense attorneys.

The defendants claimed that all principal defendants resided in San Francisco, excepting Ruth Bradley of San Mateo, head of the San Mateo local of the union. The defense claimed she was not properly a defendant in the case and had been listed solely for the purpose of enabling the plaintiffs to file their action in San Mateo County.

Autoist Hurt, Faces Bill for Damage Done

R. V. Kellogg, San Francisco P. G. & E. engineer, was hurt at 3 p.m. Tuesday when his automobile hit a cement culvert 1 1/2 miles west of Woodside, on Canada Rd. The impact knocked Kellogg, who is 54, unconscious, but he had recovered when the Laying and Tinning ambulance arrived. He was taken to Mills Memorial Hospital for treatment of cuts and bruises.

County Road Superintendent Ernest Hoffman announced Kellogg would be billed for the damage to the culvert.

Institute Groups To Picnic on Sunday

The annual YMI-YLI picnic will be held Sunday at Kendall Dell near Los Altos with Al Johnson and Miss Marjorie Miller, co-chairmen of the event. The program, starting at 10:30 a.m., will include baseball, races and dancing.

GREYHOUND

Signups Urged For 'Y' Camp

With the first camp at Yu-Mi-Chi, A, the Young Men's Christian Association camp in Memorial Park, already under way with 100 San Francisco boys enjoying life under the giant redwoods, signups were nearing completion for the Peninsula Y's camp which will be held July 2-16.

Secty. Thomas W. Badley said since there was still room for only 38 boys to sign up for the camp, reservations should be made at once. They can be made with him at 470 Myrtle St., Redwood City (telephone 2690-W) or at the YMCA office in Burlingame.

Local men named as leaders at the camp are Badley, director; George White, assistant camp director; Frank Cathcart, camp craft supervisor; Briar McNeil, craft instructor; Irving Gold, Ted Fisher, Charles Gatchel, Bob Bebb, Lloyd McGovern, Fred Simonson, James Argo, cabin leaders. Leaders have been trained for the past month in various kinds of handicraft.

Any boy 9 or older is eligible to go to the camp, one of the oldest in the county with an excellent standing in safety-health programs. This year the camp will emphasize democracy, being organized on the "boy city" basis giving each youngster an opportunity to participate in the camp government. Mayors, councilmen, policemen and other officials will be elected.

Special events to be held at the camp include hikes, fishing trips, swimming, life saving, leather craft instruction, ring making, sketch-

'White House' Plan Sent to Washington

BURLINGAME, June 20.—Printed material, pictures, suggestions and a report of the favorable impression locally toward the use of the Carolans Estate mansion as a "White House of the West" were forwarded today to Rep. John Z. (Jack) Anderson at Washington by the Burlingame Chamber of Commerce committee in charge of the proposal.

According to Frank Bloom, chairman of the committee, a brief synopsis of the idea in offering the Carolans as a possible site for use as a federal "Summer White House" where legislators could hold international meetings of importance away from stress of political pressure in Washington is included in the material forwarded to Anderson.

Pictures of the 96-room mansion and a space of ground surrounding the large French-chateau type building are also included.

The communication suggests that a congressional committee be appointed to inspect the site during the intermission this Summer.

Early Spanish settlers in 1521 first brought cattle into what became the Texas cattle raising section.

ing, cooking, wood carving, landlaid, braiding, archery and rifle instruction.

The July 2-16 period allotted the local Y is expected to prove to be the most popular, according to Badley, since it gives the boys an opportunity to make their visits to the World's Fair before camp.

Tripper Signal Proves Worthy

ATHERTON, June 20.—Installation of a traffic-actuated signal has been completed at the intersection of El Camino Real and Atherton Ave., according to Police Chief J. E. Farrell of Atherton.

It is a "tripper" device, based on the same principle as a signal along El Camino Real at Hillsborough and at other Peninsula thoroughfares.

The tripper has been installed on both Atherton Ave. and Fair Oaks Ln. Persons who wish to gain access to El Camino Real simply drive over the tripper device which makes a contact and turns the green signal along the main highway to red.

Tests conducted for several days show that heavy use will be made of the tripper system. During heavy Sunday traffic the stop signal flashed on at regular intervals of from two to three minutes. Chief Farrell reports.

Installation of the automatic contact signal was authorized by the Atherton town council at a cost of \$200. Its principal purpose is to eliminate the hazard of branching onto the main highway from Fair Oaks Ln. or Atherton Ave.

ABSOLVED OF BLAME

William Houghteling, prominent San Franciscan, was absolved of blame Tuesday by a coroner's jury at an inquest into death of Clovis F. LeRoy, 29-year-old Menlo Country Club caddy. LeRoy died May 24, nearly six months after he was injured when struck by a golf ball driven by Houghteling.

Medical Plan For Employees

Medical service to San Mateo County employee groups will be offered within the next few days, according to an announcement by California Physicians' Service, the statewide organization established to render group service at established rates.

Awakened now is the appointment of one or two deputy medical directors for the county, after which the service is expected to be launched here.

San Mateo County is part of the district which comprises San Francisco and Marin Counties. The district will be operated under the direction of an assistant medical director, whose name has not been announced here, and the deputy directors from each county.

Deputy director for San Mateo County will be one or two of the three men whose names were submitted to the California Physicians' Service by a committee appointed by Dr. N. D. Morrison, president of the San Mateo County Medical Society. Those selected by the committee were Dr. Ernest W. Cleary, Dr. Howard Mawdsley and Dr. William Murphy.

Whipping as a punishment for crime in Ohio gave way to the penitentiary system in 1815.

Democratic Group Names Committees

State committeemen for the Young Democrats of America, California Division, were appointed by James J. Kahoe of San Mateo, president, and ratified by the executive board when it met in San Mateo Monday.

J. Desmond Sullivan of Menlo Park, former state organizer, was named to head the state finance committee for a two-year period. Phil Davies of San Francisco was named vice-chairman.

Nicholas Diamond of San Mateo was chosen to head the educational committee.

John Riggs of Stockton heads the students committee; James Brose, San Francisco, organization committee; Louis Hicks, San Francisco, publicity.

James Toner of San Francisco was named regional director for the western states organization and Mrs. Cecilia Pittner of Oakland, national committeewoman.

The Young Democrats of America is the organization chartered by the national Democratic organization.

CEMETERY TOOLS STOLEN
Deputy Sheriff George Krehl was investigating today the theft of \$150 worth of equipment, including tools and 225 feet of garden hose, from a locked shed in the Russian Cemetery in Colma.

Charges Dismissed Against NFO Pair

Charges of receiving stolen goods lodged against Floyd and Bill Pearson, brothers living on Old Middlefield Rd., North Fair Oaks, were dismissed this morning by Judge E. I. McAuliffe at the request of Ray Martinez, complainant.

Two tires were stolen from Martinez last week. Frank Billa pleaded guilty to the theft and was sentenced last Friday to 10 days in the county jail as a condition to six months' probation. Billa implicated the Pearson brothers, but Martinez, who also lives in North Fair Oaks, withdrew the complaint.

GIANT GRAIN ELEVATOR
VANCOUVER, Wash. (P)—Building of a 500,000 bushel addition will make the Spokane, Portland and Seattle railroad grain elevator here the largest in the western section of the United States. The elevator's capacity will be 3,000,000 bushels, of which 2,700,000 will be bulk storage.

GRASS FIRE EXTINGUISHED
A small grass fire on Canyon Rd., Burlingame Hills, near the residence of Superior Judge Aylett R. Cotton, was extinguished by the county fire department yesterday afternoon, the department reported. No damage occurred.

DRIVING CASE CONTINUED
Thomas Wirta, 47, 235 Oliver St., Redwood City, was granted a continuance to July 19 in the court of Judge Edward I. McAuliffe yesterday, on a charge of driving while drunk. Wirta pleaded not guilty to the charge last Friday.

Most hotel rooms have about 50 miscellaneous articles for guest use and comfort.

M. Anderson Thomas, Atty. NOTICE OF REFERENCE SALE OF REAL PROPERTY IN PARTITION No. 286538—Dept. 8

IN THE SUPERIOR COURT OF THE STATE OF CALIFORNIA, IN AND FOR THE CITY AND COUNTY OF SAN FRANCISCO.

DON CARLOS BARRETT, Plaintiff, vs. BELLE ALLISON, ROBERT E. ALLISON, P. M. ALLISON, and J. B. ALLISON, Defendants, and also all persons unknown who have, or claim, any interest in or lien upon the property hereinafter described, Defendants.

NOTICE IS HEREBY GIVEN that in pursuance and under and by virtue of that certain Interlocutory Judgment and Decree and order of sale made by the above-entitled Court, in the above-entitled matter, dated June 7, 1939, and filed with the Clerk of the above-entitled Court on the said 7th day of June, 1939, and, by the terms of which said judgment and decree the undersigned, GEO. LOVEJOY, was appointed sole referee in partition of the property hereinafter described, the undersigned, duly appointed, qualified and acting referee aforesaid, on or after the third day of July, 1939, sell, at private sale, to the highest and best bidder, upon the terms hereinafter mentioned, and subject to confirmation by the above-entitled Court, all the hereinafter described real property situated, lying and being in the County of San Mateo, State of California, and also all right, title and interest therein of each of the parties thereto in the above-entitled action; said lot, piece or parcel of land, situated, lying and being in the County of San Mateo, State of California, being more particularly described as follows, to wit:

COMMENCING at a point on the Northern line of Fairview Avenue, distant thereon 729.30 feet Easterly from the point of intersection of the Easterly line of Albertson Avenue and said Northern line of Fairview Avenue; running thence Easterly and along said Northern line of Fairview Avenue 326.70 feet; thence at right angles Northerly 400 feet; thence at right angles Westerly 225.70 feet; thence at right angles Southerly 400 feet to the point of commencement, which said property is the Easterly one-half of Lot 13, front and back measurements, and all of Lot 12 as described on a map entitled "Atherton Acres, San Mateo County, California," which map was filed in the office of the County Recorder of said San Mateo County, State of California, on May 12, 1920, in Volume 10 of Maps at page 33.

The terms and conditions of said sale are as follows: Said sale will be made for cash, lawful money of the United States of America, ten per cent (10%) of the purchase price to be paid upon acceptance of bid, and the balance thereof to be paid on confirmation of said sale by the above-entitled Court. Deed and title insurance policy to be at expense of purchaser. All bids or offers for said property must be in writing, and may be delivered to the undersigned referee personally or left at the office of M. ANDERSON THOMAS, attorney-at-law, 502 Humboldt Bank Building, San Francisco, California, or may be filed in the office of the Clerk of said Court, at any time after the first publication of this notice and before making of the sale.

DATED: June 13th, 1939.
GEO. LOVEJOY, Referee.
M. ANDERSON THOMAS, Attorney for Plaintiff, 502 Humboldt Bank Building, San Francisco, California.
Published in the Peninsula Beacon, June 16, 23, 30, 1939.

S. M. Boy Is Wounded At Target Practice

SAN MATEO, June 19—Wounded in the left shoulder, Don J. Stoddard, 13, San Mateo, was in Mills Memorial Hospital today, suffering from a bullet wound from a .22 caliber rifle. Young Stoddard was at the old Leslie Salt Works target practicing with James Gray, 13, and Tom Baker, 14. Gray's rifle, pointed toward the ground, accidentally discharged. The bullet struck a rock and ricocheted, striking Stoddard. At the hospital attaches reported his condition as "good."

RETIRED OIL AUDITOR DIES

SAN MATEO, June 22.—Frank R. Gilchrist, 84, retired auditor for the Standard Oil Co., died last night at his home here after a short illness. Survivors include his wife and two daughters. Private funeral services will be conducted Friday.

let struck a rock and ricocheted, striking Stoddard. At the hospital attaches reported his condition as "good."

South San Franciscan Dies in Auto Mishap

William Charles Mallisch, 23, of South San Francisco, was the victim of an automobile accident on Monday in Contra Costa County. Mallisch was killed when the car driven by Leroy Thomas of Cowell went out of control when Thomas swerved to avoid hitting another car, the Thomas machine overturning. Mallisch was crushed beneath the machine.

SFPT'S BUDGET POUNDED

BURLINGAME, June 22.—Discussion of the 1939-40 budget will be held tomorrow night when the board of directors of the San Francisco Peninsula Inc., meet at the Burlingame Chamber of Commerce office. Completion of the advertising program is expected to be announced at the meeting.

CCC Enrollment Is Opened Again

With enrollment of 2864 California youths sought for CCC camps between July 1 and 20, San Mateo County's quota was disclosed today to be 40. Information on enrolling in the federal camps may be obtained by contacting Miss June Mahon, 430 Peninsula Ave., San Mateo, between 10:30 a.m. and noon any day.

Acquisition Seen Of Land near That Offered to County

An early start in the purchase of a 10,000-acre, \$1,200,000 addition to California Redwood Park (Big Basin) extending between its present boundaries and San Mateo County's Memorial Park was seen here in a \$50,000 item in the state budget signed by Governor Olson.

Expenditure of the sum, to be taken from state oil land royalties, is contingent on a like sum being supplied by local sources.

First acquisition planned, according to State Park Acquisition Officer Newton Drury, is an 840-acre section in the watersheds of Berry Creek and Golden Falls, to round out the present park acreage, and 260 acres of virgin forest in San Mateo County north and west of the park.

10-YEAR PURCHASE PLAN
It was understood that the state is prepared to embark on a 10-year purchase program to acquire the 6600 acres of Timothy Hopkins Estate and Western Shore Lumber Co. lands extending between Butano Ridge and the park boundary, connecting with the 3120-acre forest offered to San Mateo County for \$300,000 on a 20-year lease-purchase contract.

In about three years, it was stated, the state plans to take over the county's purchase, linking the vast area into one state park.

According to Drury, the state commission will assign an appraisal commission to determine values and work out legal details after July 1. Negotiations are subject to approval of the state director of finance and the governor.

SCOTT SEEKS FUNDS
Task of matching about \$600,000 in state funds would be undertaken by Winfield Scott of Atherton, Drury said he understood.

Scott, who is manager of the Butano Park Association, issued this statement this afternoon:

"Without first meeting Dr. Ray Lyman Wilbur of Stanford University, Mr. Drury and the Save-the-Redwoods League people, I could not make a strictly accurate statement as to what has been done. I knew that \$50,000 was in the state budget for acquisition of additions to the Big Basin Park.

"I know that, first of all, the Berry Creek property of the Timothy Hopkins Estate, located in Santa Cruz County, is to be obtained. I know that half of the cost will be borne by the state out of this \$50,000 and half will be raised by private subscription. I cannot give any definite information about the 260 acres in San Mateo County, which it is stated will be added to Big Basin.

'COUNTY TO WAKE UP'
"Sooner or later the people of this county will wake up to the realization of what is being done with the 11,000 acres of forest property called the Butano, although 4400 acres of it is in the Pescadero

Accident Disrupts Power Service Here

Damage amounting to several hundreds of dollars and disruption of telephone and electric service in the vicinity of the Yacht Harbor for more than three hours resulted Tuesday afternoon when a heavy truck and trailer failed to make a short turn at the Stauffer Chemical Co. Rd. and the Yacht Harbor Rd.

The truck, driven by Jess Corneille, 24, Stockton, slipped off the narrow levee road and the front fender hit an anchor of a P. G. & E. pole, breaking nearly a dozen wires. L. E. Wolbert, district superintendent of the P. G. & E., who investigated, said the wires, carrying 4000 volts of electricity, burned a telephone cable.

R. G. Drake, manager of the telephone company, said the electric current burned approximately 635 feet of cable, 500 feet of which was under the Bayshore Hwy., and caused approximately \$200 damage. Twenty-five telephones were disabled, but all but 10 of them were back in operation by 10 p. m. yesterday, he said. Crews still worked to repair the telephone line breaks this afternoon, although all lines are now in service, Drake said. Power was shut off at the Stauffer Co., the Yacht Harbor, Port of Redwood City and the North Fair Oaks sewer district pump and other stations in that district until the breaks were repaired at 5:10 p. m., Wolbert said. He estimated the damage to his company at approximately \$250.

The left front fender of the truck was the only part of the vehicle damaged.

Creek watershed.
"Stanford University has saved 6600 acres south of Butano Ridge. Last Summer there were lost about 1400 acres in the Pescadero country now being logged.

"It is San Mateo County's chance to help save 3120 acres just to the west of Memorial Park. It will cost the county nothing more than the \$20,000 now being spent annually for land acquisition.

"Personally, I wish I could guarantee that the funds will come from the oil leases. I cannot without further information.

"What the Butano association has been trying to do is to hold this property from the axe until we can get action.

"Matching money? How to get it? That's something else again. It can be had—from experience I know that much.

"Our purpose is to end the cutting of any more forest. Ways and means measures are secondary at this moment."

Fire Warden Bert L. Werder, another leader in the Butano forest program, attributed the 10-year program to ex-President Herbert Hoover, who, Werder said, has spent hundreds of thousands of dollars to save the south county redwoods.

Wards Canning Sale Gives You

MORE JARS PER DOLLAR

Regular \$1.19 Value!

COLD PACK CANNER

Another Denies Burglar Guilt

Clyde Lutje, former Redwood City fireman and confessed firebug, asked probation when he came before Judge A. R. Cotton Monday for sentence on two counts of arson. Judge Cotton continued the case two weeks and referred Lutje's plea to Probation Officer Francis Robinson.

William Butler, facing burglary charges, pleaded not guilty and the case was continued one week to set. Butler admitted prior convictions.

Joseph Robles, Palo Alto, charged with grand theft, also entered a plea of not guilty. According to Norman S. Menifee, Robles' attorney, the defendant is accused of stealing his own automobile.

Bicyclists Warned Against Dock Riding

Now that school is out, Port Manager Walter F. Murphy was obliged to issue his annual warning today to bicyclists:

Don't ride bikes on the docks at the Port of Redwood City. The water around the docks is deep and a youngster could easily

Courtesy Thing Most Desirable In Driving Auto

WHAT ONE THING do you think would help most to cut down traffic accidents? Many things are necessary for a full program of accident prevention, but we would like to nominate as the one most important point in any program just plain, simple COURTESY—the same courtesy that people show in their homes or in their offices.

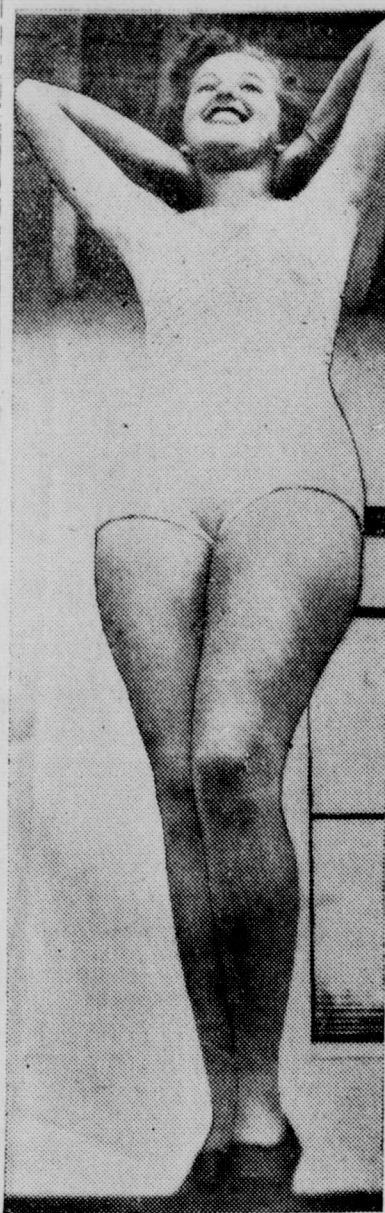

People who think of driving in traffic as a kind of competitive game are responsible for many accidents—and driving to them is much more of a strain than a pleasure.

Try driving courteously—relaxed—and you will find your driving will be easier and safer. SAN MATEO COUNTY TRAFFIC SAFETY COMMISSION

drown if he went off the wharf. Besides, lumber carriers and trucks zoom around the buildings on the docks and might crash into a cyclist.

"Visit the port if you want, but don't ride your bikes on the wharf," was Manager Murphy's warning to youngsters.

NICE RULE-R

Blonde Alice Christiansen is one of four contestants for Goddess of Liberty at the annual Watsonville Fourth of July celebration. She at present leads in the race to see which girl will rule over the celebration, which begins with a dance Saturday night, July 1, and continues with entertainment and a dance Monday afternoon and an Old Timers' and patriotic parade, reception, barbecue, sports activities, dance and fireworks on July 4.

SCHWERIN ESTATE VALUED Mary Ellicott Schwerin, widow of R. P. Schwerin, Hillsborough resident and prominent steamship company operator, left an estate

Report Given By Chairman

That San Mateo County Day at the Golden Gate International Exposition cost the county \$275.62 was revealed today in a financial report issued by George J. Davis of Millbrae, chairman of the June 11 event.

Total actual expenditures amounted to \$706.62, but receipts from the sale of the blue-and-gold lapel buttons reached \$431, considerably more than half the money spent.

Daly City led by a substantial margin in number of buttons sold, with 910. San Bruno was second with 527. Redwood City was fifth with 482, with San Mateo and Burlingame third and fourth. In all 4310 were sold, at 10 cents each.

Principal expense item was \$98.43 for transportation. Davis' report reveals. A total of \$142.50 was spent for luncheons; music for the huge evening dance cost \$109 and the 30,000 everlasting flowers distributed on the Island cost \$100.40.

Davis' committee was advanced more than \$390 by the county to handle expenses, but he reported a refund of \$120.75 to the county treasurer.

Clothespin Fire Gun Found Near Blaze

Further reason to believe that clothespin "guns" have been the cause of several grass fires in the county this year was expressed today by Fire Chief Joe Senger of San Bruno after he had found one of the ingenious gadgets near one of the grass fires there.

Senger appealed to the public for co-operation in preventing the use of the "guns," which shoot lighted matches.

Chief Claude M. Hirschey of Hillsborough recently found one of the "guns" in possession of a Hillsborough youth and at the time expressed the opinion that the cause of several grass fires in this area was due to youngsters shooting matches with the gadgets.

valued at \$176,799.13 according to an appraisal filed in superior court here by James A. Lee inheritance tax appraiser.
